Quotes of the Week

Don't waste a minute being unhappy. If one window closes, run to the next window, or break down a door.

To be happy, do not add to your possessions, but subtract from your desires

Perceive and rejoice that life is abundant, that beauty and goodness are amply available, that your happiness is in your hands.

Joyfulness keeps the heart and face young. A good laugh makes better friends with ourselves and everybody around.

A happy heart makes a cheerful face.

Enjoy your life without comparing it to others.

Life, Laugh and Love.
