## **ECONOMIC DEVELOPMENT**

**4:30PM – U'gwamalis Hall**

### **Community Meeting, Dinner and Holiday Cash Giveaway Drawing!**

Economic development is about asserting our rights, creating prosperity and becoming financially self-sufficient. Creating an Economic Development Plan was identified as a community priority in our Comprehensive Community Plan (CCP) and our Land Use Plan. It will help us identify and prioritize the specific opportunities that are of most interest to our people. It will also help lay out the steps required to implement our top priorities.

Leadership would like to invite you to our 2<sup>nd</sup> Economic Development Community Meeting to review information and discuss your thoughts and ideas for the future.

**Along with Dinner being served, we will also draw for the Holiday Cash Giveaway! Every member who attended community meetings from August to November, received one entry per meeting.**
